

TUTOR LIST

NOTICE TO PARENTS

The attached list of tutors is provided as a courtesy to parents considering tutorial services for their children. It is recommended that students meet with tutors in a public venue (for example, the St. Albert Public Library.)

Tutors are listed alphabetically and not rated; the district provides no services other than this list of names. All arrangements for tutoring services rendered, including the rate of pay, the quality of the service and any other terms and conditions of employment are to be arranged between the tutor and the parties contracting the services.

Student Services updates this list once a year, each Fall.
