

Bellerose Battles Cancer 2024 Bikeathon 21 🐾 March 6-8 PASSION - PRIDE - TRADITION

WHAT CAPTAINS DO

Thank-you for taking on this responsibility! It's all about winning friends and influencing enemies...This will not be a popularity contest!

1. Ensure that you attend all Bikeathon organizational meetings!
2. Work with your friends to create a Bikeathon team (8-10 students).
3. The team is expected to have a theme, costumes, banners/posters, and (most importantly!) you **MUST** provide a bike and wind trainer or stationary bike.
4. **PLAN!** You and your team will make a difference...**ONLY** if you have a plan! So, who are you biking for? How will you fundraise? How will you be successful? What do you know about your charity?
5. You will be responsible for ensuring that the deadlines for pledge forms, waivers, riders schedules and team packages are met...ENSURE THAT BIKE SCHEDULES DO NOT CONFLICT WITH CLASS TIMES.
6. **Your team's bike must remain on your site and must be occupied for the complete 48 hours.**
